About TT Travels

TT Travels is a geometric grotesque with wide proportions and peculiar shapes of circles and brackets. TT Travels incorporates two stylistic sets which add completely different chara- cters to the type family. The first set ss01 (aka salt) makes the font more humanistic, thanks to the ductal and smooth design of the chara- cters defining the style. And if you wantto work with the futuristic version, we recom- mend that you enable the second set (ss02).

In this set, most of the characters defin- ingthe style change to characters pos- sessing experimental forms of graphemes. For the convenience of the TT Travels font familyuse and for working within a complex text hierarchy, we've created 9 weights (Thin, ExtraLight, Light, Regular, Medium, DemiBold, Bold, ExtraBold, Black) and added 9 matching true Italics.

TT Travels also implements a huge packof OpenType features. The full list usedin TT Travels is: ordinals, superscripts, sub- scripts, numerators, denominators, oldstylle figures, tabular figures, proportional figures, standard and discretionary ligatures, sty- listic alternates, stylistic set 01, stylistic set 02, case sensitive, fractions, slashed zero.

The origin of the word "travel" is most likely lost to history. The term "travel" may originate from the Old French word travail, means 'work'.

TT Travels Thin 16 pt

In some countries, non-local internal travel may require an internal passport, while international travel requires a passport and visa.

TT Travels Thin Italic 16 pt

The term "travel" can involve travel by foot, bicycle, automobile, train, boat, bus, airplane, or other means, with or without luggage.

TT Travels ExtraLight 16 pt

"There's a big difference between simply being a tourist and being a true world traveler", notes travel writer Michael Kasum.

TT Travels ExtraLight Italic 16 pt

Beyond its iconic mountain backdrop and cinematic beaches, Cape Town hasa compelling art and design scene.

TT Travels Light 16 pt

"There's a big difference between simply being a tourist and being a true world traveler", notes travel writer Michael Kasum.

TT Travels Light Italic 16 pt

Examples

Adventure travel involves exploration or travel with perceived risk, and potentially requiring specialized skills and physical exertion.

TT Travels Regular 16 pt

Motives for travel include pleasure, relaxation, discovery and exploration, getting to know other cultures, etc.

TT Travels Italic 16 pt

Ghetto travel involves visiting impoverished areas. Originally focused on the slums of London and Manhattan in the 19th century.

TT Travels Medium 16 pt

The atmosphere is severely dry nine months of the year, and average annual snowfall is only 46 cm, due to the rain shadow effect.

TT Travels Medium Italic 16 pt

Travel may or may notbe much easier depending upon the destination you choose (e.g. Mt. Everest, the Amazon rainforest).

TT Travels DemiBold 16 pt

When travelling abroad, the odds favor a safe and incident-free trip, however, travelers can be subject to difficulties and crime.

TT Travels DemiBold Italic 16 pt

Examples

The evolution of technology in such diverse fields as horse tack and bullet trains has contributed to this trend.

TT Travels Bold 16 pt

Travel by water often provided more comfort and speed than land-travel, at least until the advent of a network of railways.

TT Travels Bold Italic 16 pt

While travel in the Middle Ages offered hardships and challenges, it was important to the economy and to society.

TT Travels ExtraBold 16 pt

Airships and airplanes took over much of the role of long-distance surface travel in the 20th century.

TT Travels ExtraBold Italic 16 pt

Pilgrimages involved streams of travellers both locally and internationally.

TT Travels Black 16 pt

Travel can also include relatively short stays between successive movements.

Do you want to plan a trip to the Canadian Rocky Mountains but have no idea where to start?

Since the end of the last glacial period, Canada has consisted of eight distinct forest regions.

Examples

TT Travels
Regular 24 pt

The Canadian Rocky Mountains are a year round destination with spectacular scenery in every season.

TT Travels
Regular 18 pt

The hardest decision will be narrowing down what you want to see. It will never seem like you have enough time to take in all the beauty the mountains have to offer.

TT Travels
Regular 12 pt

Visitors often under estimate how vast these areas are and the driving times involved in getting around. A visit limited to just Banff may be suitable to 3 to 4 days. If you plan on doing a lot of sightseeing and adding in activities such as hiking you'll likely want more time.

TT Travels
Regular 8 pt

Spring time is still skiing season, the summer months pass by quickly to lead way to the colours of fall and then it's all up to mother nature as to how early the snow returns. Seeing the coloured glacier lakes is on the wish list for many. If this is your goal make sure to time your visit accordingly.
